

IOWA Destination ImagiNation® 2010 REGISTRATION INSTRUCTIONS

Use with all challenges EXCEPT projectOutreach®

Welcome to another exciting year with Destination ImagiNation® in Iowa. Please review the following instructions to register your team for the Iowa Destination ImagiNation® tournaments.

A registration fee of \$60.00 per competitive team (Elementary, Middle, Secondary Level, or University Level) and \$40 for each non-competitive team must accompany this registration form. Non-competitive teams include Primary (*Rising Stars!*®) and those elementary, middle, secondary, or university teams that choose to participate without being scored. Fees for all teams from a membership may be paid with one check or listed on the same Purchase Order.

Registration Deadline: **JANUARY 14, 2010**

Registrations postmarked after January 14, 2010 will have a registration fee of \$120 per competitive team and \$80 per primary or non-competitive team. Late registration deadline is January 22, 2010.

Each team, that performs in Challenges A – E is responsible for providing an individual, who will be trained by Students for a Creative Iowa, to serve as a Challenge Appraiser at the Destination ImagiNation® tournaments in Iowa. A trained Challenge Appraiser is required to represent your team at the regional tournament in order for your team to participate at the regional level and advance to the state tournament (if team participates competitively and qualifies). A trained Challenge Appraiser who has appraised at the regional level is required to represent your team at the state tournament in order for your team to advance and compete at the state level and advance to the Destination ImagiNation® Global Finals (if team qualifies). This ensures that all teams have an adequate number of well-trained Appraisers to watch, enjoy, and award points for team performances at each tournament.

Each *Rising Stars!*® team will provide one volunteer who will assist in a support area at the regional tournament.

In Do or DI, your team will blend a Threatened Thing in danger of extinction, a Stock Character and an Unimpressive Superpower into an amazing, improvised story! Your team will:

- Create a five-minute Improvisational Skit about a Threatened Thing in danger of extinction. This must be done in a seven-minute Preparation Time period at the Tournament.
- Present a Skit using a Stock Character randomly selected from a list of stock characters that the team has previously researched.

- Integrate a randomly selected Unimpressive Superpower that is revealed during the Skit.

- Recycle newsprint by using it creatively in a costume or prop.
- Create two Side Trips and integrate them into the Presentation.

projectOUTREACH®

- Identify community needs and use creative problem solving tools to select at least one need.
- Design and implement a team Project in your community that creatively uses music to address the need(s) you selected.
- Compile an Album to document the Project.
- Create and perform an entertaining Presentation that informs the audience about your Project.
- Include a Multi-sensory Aesthetic Experience in your Presentation.
- Create two Side Trips and integrate them into the Presentation.

Rising Stars!®

Designed for 4- to 7-year-old kids, Weighty News asks your team to create original structures out of newspaper and tape. Your team will also create your own newscasts to present your structures!

Instant Challenge: (Required for all teams)

Instant Challenges require your team to engage in quick critical thinking. At a Tournament, your team will receive an Instant Challenge and the materials with which to solve it. You must think on their feet by applying appropriate skills to produce a solution in a period of just five to eight minutes. Instant Challenges provide an exciting, impromptu creative experience for your team!
